Charging and Remissions Policy

The Education Reform Act (1988) introduced new provisions on charging for school activities. The purposes of these provisions are:

- to maintain the right to a free school education.
- to ensure that activities offered as part of the National Curriculum and wholly within normal school time should be available to all pupils, regardless of their parents' ability or willingness to help meet the cost.
- to give educational authorities and schools the discretion to charge for optional activities provided wholly or mainly out of school hours.
- to confirm that schools may invite voluntary contributions for the benefit of the school or in support of any activity organised by the school, either in or outside school hours.

The Governors believe that activities such as educational visits (or visitors) are an extension to, and an enrichment of the curriculum. They have adopted the LA Policy of Charging for School Activities, which allows the school to ask for voluntary contributions from parents to support these activities. The policy is reviewed every two years.

Introduction

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual music tuition.

Voluntary contributions

- When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid the full contribution. We do not treat these children differently from any others. Pupil Premium can be used where relevant.
- If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.
- In the case of Residential trips when school has to make a commitment in advance, any deposit received from the parents will be non-refundable.

The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- outdoor adventure activities;
- visits to the theatre;
- school trips;
- musical events.

Residential visits

- If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we make a charge to cover the costs of any workshops, board, lodging and travel expenses.

Remissions

- Families qualifying for remission or help with charges – In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances or in receipt of pupil premium.
- The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try and adhere to the following guidelines:
 1. Where possible we shall publish a list of visits (and approximate cost) at the beginning of the school year so that parents can plan ahead.
 2. We have established a system for parents to pay in instalments where appropriate.

Music tuition

- All children study music as part of the normal school curriculum. We do not charge for this. There is a charge for individual / small group music tuition if this is not part of the National Curriculum. Peripatetic music teachers are hosted by the school and the parents are charged for these lessons on a weekly basis. Parents are provided with information about additional music tuition at the start of each academic year.

Swimming

- The school organises swimming lessons for children in Year 3 to Year 6. These take place in school time and are part of the National Curriculum. We make no charge for the swimming lessons but request a voluntary contribution for the cost of the coach to take the children to Ellesmere Port Sports Village. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons.

School Run Clubs

- School run clubs are run on a termly basis at a charge of £1 per week to cover costs.

Lettings charges

- Any lettings would be charged at the rate recommended by Cheshire West & Chester Council.
