

Governor Newsletter

Summer Term 2023

Governors and staff were pleased that all the hard work staff put in to making Saughall all Saints CofE Primary a great place to learn and grow was recognised in the recent Ofsted inspection.

Achieving Good is much better than it sounds, and the inspector was complimentary about many aspects of school life. [The full report](#) is available on the school website.

The great SATs results are a testament to the dedication of staff to ensure all pupils achieve their potential. There are still some gaps in knowledge due to COVID closures but over time these are diminishing.

Our [annual Governor impact statement](#) has been uploaded onto the school website which outlines some of the boards activities this year.

The board will be seeking new Governors in the Autumn term as Governor's term of office come to an end. If you would like any more information about what the role entails, please speak to any board member or email chair@saughallallsaints.cheshire.sch.uk. Being a Governor is a great way to widen your knowledge of the education system. Many Governors also find their experience enhances their career development.

We wish Mr Graham all the best in his new job which is closer to home and welcome Miss Choi to the teaching team.

We hope you have a lovely summer,
Saughall Governing Board
